

Forever Lean™ is high in chromium and contains a unique fibre blend. Chromium contributes to normal macronutrient metabolism and contributes to the maintenance of normal blood glucose levels.

Use instructions: Take one capsule with water immediately before meals or snacks, up to four capsules a day. Do not use if seal under cap is broken or missing. Store tightly closed in a cool, dry place.

Warnings: Keep out of reach of young children. Do not exceed the recommended daily dose. Food supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle.

Best before: see bottom of container.
