Mask Powder

In combination with the Aloe Activator, Mask Powder removes impurities and dead skin cells. The high concentration of Aloe Vera makes this mask perfect for cleaning of the skin and refining the skin texture.

DIRECTIONS: An Aloe Facial is recommended 2 to 3 times a week to smooth, cleanse and tighten the skin while revitalizing your appearance. Add one mixing spoon (one teaspoon) of Mask Powder to the mixing bowl. Combine with one mixing spoon (one teaspoon) of Aloe Activator until the mixture has the consistency of lotion. Use an applicator brush to apply a thin, even film from the neck upward. Relax in a reclining position, limiting facial movement for approximately 30 minutes. Apply a moist towel to the face to soften the mask, then gently remove remaining mask and rinse with warm water. Follow with toner and your favorite moisturizer.
