

Forever Arctic Sea™ contains a proprietary blend of natural fish oil, squid oil plus olive oil for optimal health and wellness. The product is high in Omega-3 fatty acids (EPA and DHA) and unsaturated fat. EPA and DHA contribute to the normal function of the heart. DHA contributes also to the maintenance of normal brain function and vision. The stated beneficial effects are obtained at a daily intake of 250 mg DHA and EPA.

Instructions: Take two softgels with meals three times daily with water.

Do not exceed the stated recommended daily dose. Food supplements should not be used as a substitute for a varied and balanced diet and a healthy lifestyle. Store tightly closed in a cool dry place. Keep out of the reach of young children. Best before end: see bottom of container.
