

Forever Active Pro-B's advanced formula provides 8 billion CFU of good bacteria in a balanced 6-strain blend, specially designed with Zinc which contributes to the normal function of the immune system.

**Instructions:** Take one capsule daily with water 30 minutes before a meal. Do not use if seal is broken. Store tightly closed in a cool and dry place protected from light.

**Warning:** Keep out of reach of young children. Do not exceed the stated recommended daily dose. Food supplements should not be used as a substitute for a varied and balance diet and a healthy lifestyle. For best results, do not store at temperatures above 25°C.

Best before end: see bottom of container
