

Aloe-Jojoba Conditioner

Short Summary:

A good conditioner can make all the difference when it comes to getting the most out of your hair care routine. It softens, smooths and makes hair more manageable. Forever's Aloe-Jojoba Conditioner does all this while nourishing deeply and boosting hair and scalp hydration without added sulfates.

Long Summary:

Our lightweight formula is perfect for daily use and includes three different oils to lock in moisture without weighing hair down. Jojoba oil is rich in natural fats to strengthen hair and promote thickness. Argan oil, dubbed "liquid gold of Morocco," nourishes hair with the antioxidant power of vitamin E. We also added rosehip oil to keep hair soft and moisturized while invigorates them. There is also vitamin C, which helps to maintain pH balance.

The backbone of Aloe Jojoba Conditioner is stabilized aloe vera gel from our own fields. Our inner leaf aloe vera helps this conditioner soften the scalp and bring out your hair's natural shine.
