Short Summary:

Let the best of what nature has to offer nourish and cleanse your skin with Forever's new Aloe Body Wash. This sulfate free formula features powerful yet gentle cleansing with skin conditioning ingredients that will wash away dirt and leave your skin feeling soft and refreshed.

Long Summary:

Aloe Body Wash is pH balanced to help retain skin's moisture and promote hydration. Key ingredient, aloe vera, aids anti-aging by promoting moisturizing. The antioxidant vitamin C nourishes the skin.

Our formula features a rich, inviting fragrance of woods, amber and a warm blend of herbs for a scent that is universally appealing. You may notice something a little different about Aloe Body Wash's unique color. The color is inspired by the sea, a deep blue-green shade that comes from copper chlorophyll.

You'll feel the difference right away as Aloe Body Wash forms into a rich, creamy foam that rinses away easily without stripping your skin of moisture.
