CODE:

187

QUANTITY:

30ml

Suggested Use:

Using the dropper, apply a couple of drops to your face or neck and massage in gently with your fingertips. For best results, apply *Forever Alpha-E Factor*, followed by *R³ Factor Skin Defense Creme*.

Please note: It is advisable to perform a patch test before using any topical product for the first time.

Description and Purpose:

- + *Forever Alpha-E Factor*, our skin-replenishing agent, contains rich ingredients designed to enhance your skin like nothing you've tried before! It moisturises deeply to deliver an ultimate smoothness to your skin for a younger-looking appearance.
- + This light, emollient fluid is fortified with vitamins A, C and E, borage oil and bisabolol. *Forever Alpha-E Factor's* foundation ingredient is our pure stabilised aloe vera gel, with all its benefits.
- + The following special ingredients are uniquely combined into one product: vitamin E (as tocopherol and tocopheryl acetate) – the 'skin vitamin', to soften and moisturise; lecithin – an excellent emollient which improves suppleness of the skin; borage seed oil – provides the skin with gamma linoleic acid (an essential fatty acid) which helps restore moisture; bisabolol – a natural, soothing ingredient, with a light citrus aroma, suitable for even sensitive skin; caprylic/capric triglyceride – a natural emollient from coconut oil which moisturises without the heavy, greasy feel of other oils; soybean oil – a texture-enhancing moisturiser. These natural ingredients are combined with the purest humectants and emulsifiers to create one of our most versatile skincare products.

At a glance...

- + Superb combination of powerful antioxidants.
- + Enhances elasticity.
- + Normalises and balances dry skin.
