QUANTITY:

946ml

Suggested Use:

For laundry, use 15ml for normal loads. For stain removal, place a small amount directly on the spot, add water and soak prior to washing. For general, multi-purpose use, dilute using 30ml per 5 litres of water to clean appliances, floors, bathrooms, tiles, carpets and cars (inside and out). *Forever Aloe MPD* is gentle on hands and just a couple of drops on a sponge will clean dishes and remove stains from carpets and other areas.

Description and Purpose:

- + Every week we use multiple detergents for cleaning. Wouldn't it be nice to buy just one multi-purpose product for the laundry, dishes, floor, and even the bathroom? Forever has introduced such a product – a liquid detergent that is highly effective and very economical to use.
- + *Forever Aloe MPD* is a multi-purpose, liquid concentrated detergent created by Forever, and its 2X ultra formula is concentrated to take your cleaning that much further. A versatile cleaning product that is ideal for laundry (all types of clothes), it is also a household cleaner for floors, bathrooms, tiles and carpets, and for hand-washing dishes. This safe, concentrated, liquid detergent is great for lifting grime, cutting through grease and removing stains without scratching or marking any surfaces. It is versatile enough to do the job of many similar products on the market, with major cost savings for the user.
- + *Forever Aloe MPD* is phosphorus-free, making it environmentally friendly. Unlike many detergents, its anionic and non-ionic surfactants are biodegradable, thus reducing environmental and water pollution. Our non-abrasive formula contains aloe vera to soften and condition your hands and clothes. This revolutionary, multi-purpose cleaner is available only through Forever.
