Suggested Use:

Add one mixing spoon of *Mask Powder* to a mixing bowl. Combine with one mixing spoon of *aloe activator* until the mixture has the consistency of lotion. Use one applicator brush to apply a thin, even film from the neck upward. Relax in a reclining position, limiting facial movement for approximately 30 minutes. Apply a moist towel to the face to soften the mask, then gently remove remaining mask and rinse with warm water. Follow with toner and your favourite moisturiser.

Please note: It is advisable to perform a patch test before using any topical product for the first time.

Description and Purpose:

+ *Mask Powder* is a unique combination of rich ingredients chosen for their special properties to condition the skin and cleanse the pores. It is designed to blend perfectly with our *aloe activator* to create a thin mask for easy application to the face and neck. Albumen (protein from egg white) and corn starch provide drawing and tightening properties, while kaolin absorbs excess oils. Allantoin and camomile help to condition and rejuvenate the skin.
