Description and Purpose:

- + A new, cleaner formula, perfect for all hair types!
- + You'll notice we've cut down on the amount of ingredients we had previously in this product. The new ingredients we have selected are so powerful, we are able to keep things simple. Instead of having to rely solely on man-made foaming agents, our favourite ingredient, aloe vera, naturally supplies saponins which help create a gentle lather.
- + We recognise that it's important to condition your scalp and hair during shampooing, which is why we're proud that the formula features our own *Lavender Forever Essential Oil*. This oil imparts a soothing fragrance, helps hair shine and supports the scalp.
- + Rose hip oil is a rich oil and the only vegetable oil to naturally contain vitamin A, plus it has high levels of vitamin C and superb moisturising properties.
- + These ingredients remove even the clingiest oils while simultaneously soothing your scalp. Get ready to have manageable, strengthened, full-bodied hair that will turn even more heads!

At a glance...

- + pH-balanced.
- + Sulphate-free.
