Description and Purpose:

- + As science improves, so do our formulas! We've revamped our old formula to make this product work in perfect synergy with *Aloe-Jojoba Shampoo*. This complementary conditioning rinse is fortified with vitamin B complex, macadamia and jojoba oils, as well as our *Lavender Forever Essential Oil* which will give your hair extra shine, your scalp extra moisture and make your mane more manageable.
- + Jojoba has been treasured for its moisture-boosting properties for centuries, but we didn't stop there. We added macadamia oil which is a fabulous emollient to moisturise your skin and scalp.
- + Featuring our own *Lavender Forever Essential Oil*, sourced from Bulgaria, to condition and improve shine.
- + Sunflower seed oil rounds out this fabulous foursome of oils because it has high levels of linoleic acid that can assist in maintaining your skin's barrier, helping your scalp to stay moisturised.
- + As well as paying special attention to your scalp, this oil-rich, pH-balanced formula coats your hair shaft to eliminate split ends. Powerful enough to leave your hair softer, shinier and more manageable, but lightweight enough to be used regularly without heavy build up.
