CODE:

523

QUANTITY:

473ml

Suggested Use:

Release the lock mechanism and dispense a small amount of *Aloe Hand Soap* into wet hands. Gently work into a thick lather for thorough cleansing. Rinse with warm water and dry.

Please note: It is advisable to perform a patch test before using any topical product for the first time.

Description and Purpose:

- + On average, people wash their hands around eight times a day, and the Global Hygiene Council recommends even more. While it's important to keep your hands clean, repeated washing can take a toll on your skin if your soap uses harsh surfactants and strips your hands of moisture. Thankfully, Forever has found a way to actually soften your hands while washing them.
- + Our 100% stabilised aloe vera gel and glycerin make a natural, soft base to which we have added other key ingredients.
- + We've taken your favourite pearlescent formula and improved it by adding cucumber fruit extract, lemon peel oil and olive oil to boost its moisturising potential.
- + Cucumber helps soothe the skin, while lemon peel oil pulls double duty acting as an astringent and skin conditioning agent.
- + Olive oil has long been heralded as moisturiser and may assist in skin's rejuvenation.
- + Using a combination of natural oils, fruit extract and the best of science, this *Aloe Hand Soap* with its mild camomile scent is exactly what your skin wants and needs to be cleansed and conditioned.

At a glance...

- + Softening formula.
- + Naturally derived cleansers.
