Long Summary:

With more than fifteen skin-conditioning ingredients, *Restoring Crème* absorbs fast to leave skin feeling moisturised and smooth. This impressive cream combines skin science and aloe with powerful botanicals including acai and pomegranate. Vitamin B3 helps even out skin tone and texture. Use daily to reinforce the skin's natural barrier, replenish parched skin and further reduce the appearance of ageing.

CODE:
558

QUANTITY:
48,2g

Suggested Use:

Pump once and massage gently into the face and neck in circular motions working upwards and outwards towards the hair line. Twice daily in the morning and evening after applying *Infinite by Forever Firming Serum*.

Please note: It is advisable to perform a patch test before using any topical product for the first time.

Description and Purpose:

- + Fragrance free.
- + Contains powerful botanical ingredients like acai and pomegranate leaving skin feeling moisturised and smooth. The centipeda cunninghamii plant, native to Australia, works synergistically to enhance the many benefits of aloe vera. Together, these ingredients deliver proven results for soothing skin, while vitamin B3 and beetroot even out tone and texture to support a youthful complexion.
- + Ingredients such as squalane, jojoba esters, glycolipids and beeswax show significant moisturising properties and help *Restoring Crème* to be easily smoothed across your skin.
- + An essential oil blend of lavender, petitgrain, basil, eucalyptus, lime and orange peel support aloe vera to replenish and rejuvenate parched skin.
- + To finish off this moisturising powerhouse, we've added an innovative new sugar structure formula that improves skin's water barrier and moisture retention.
- + As the final very important step in *Infinite by Forever*, *Restoring Crème* seals in all of the powerful benefits your skin has just received so you can start slowing the sands of time.

At a glance...

- + More than fifteen skin-conditioning ingredients.
- + Innovative new ingredient aids skin's moisture retention.
