

Awakening Eye Cream

Short Summary:

Awakening eye cream smooths and firms delicate under-eye skin to help reduce the appearance of wrinkles, dark circles and puffiness.

Long Summary:

For striking, bright and beautiful eyes that sparkle all day long, try awakening eye cream. Thanks to peptide technology, collagen and other powerful ingredients, this advanced eye cream smooths and firms delicate under-eye skin to help reduce the appearance of wrinkles, dark circles and puffiness.

CODE:
561

QUANTITY:
21g

Suggested Use:

Using your finger, gently dab a moderate amount below and around the eye area.

CAUTION

Avoid contact with eyes. In case of eye irritation, rinse thoroughly with water. If irritation persists, discontinue use and consult a doctor.

Description and Purpose:

- + Albizia Julibrissin Bark Extract with Darutoside is one of the first of its kind to have shown lifting action on the sagging upper eyelid. That means this powerful combination of ingredients addresses both the upper eyelid and delicate skin around the eye to create a total eye perking experience.
- + By strengthening the surface structure of skin, Awakening eye cream blurs the look of crows feet and fades the appearance of dark circles.
- + This powerhouse is a perfect addition to your skincare routine and will allow your beauty to shine.

At a glance...

- + Diminishes the appearance of puffiness and dark circles.
- + Significantly reduces appearance of wrinkles.
- + Eyes appear more rested, alert and rejuvenated.
