

Sonya Precision Liquid Eyeliner

Short Summary:

This rich, black eyeliner gives you a bold look thanks to an easy-to-use, precise and flexible brush that allows for crisp, sleek lines.

Long Summary:

Sonya precision liquid eyeliner is made with natural, quality ingredients to redefine your eyes whilst nourishing the skin. This quick-drying and smudge-proof liner creates a bold, dramatic look thanks to deep carbon pigment that creates rich black colour and crisp, sleek lines. With ingredients that are kind to the delicate eye area, including aloe vera, castor oil, sunflower seed oil and vitamin E, this eyeliner also soothes and moisturises skin.

CODE:

569

QUANTITY:

1ml

Suggested Use:

Gently rest the applicator at the base of the inner corner lashes, slowly dragging the liner across the lid. Keep simple for day wear, or drag further to create a fun cat eye.

Description and Purpose:

+ This moisturizing liner comes in an ergonomic, easy-to-hold pen. It dries quickly, and lasts with no flaking or smudging. The flexible applicator tip ensures that whether your style calls for a thin, refined line or a bold defined look, Sonya™ precision liquid eyeliner is up to the challenge.

At a glance...

- + Rich, inky-black color.
- + Defined, thin brush for clean lines.
- + 9 skin conditioning ingredients for delicate eye area.
