

# Aloe Heat Lotion

## Short Summary:

Containing warming agents and aloe, this rich emollient lotion provides blissful relief from everyday stresses and strains.

## Long Summary:

Containing warming agents and aloe, this rich emollient lotion provides blissful relief from everyday stresses and strains. Great when applied before exercise or for soothing aches after a workout. Also ideal for a warming massage that will leave you feeling rejuvenated. The new-improved formula contains a natural preservative system and essential oils, but the active ingredients have been kept the same so you shouldn't experience any changes to the heating/cooling effect. You will, however, notice easier application, softer skin and brilliant results.
